Christian Summer Camp Staff

Blue Bronna Wilderness Camp exists to share the Gospel of Jesus Christ in a wilderness setting. We are located southwest of Longview, AB in the Rocky Mountains.

We operate summer programs for youth, adults and rental groups. We have two facilities: Willow Creek which is in the foothills and Coat Creek which is in the mountains.

Programs include: youth camps, horsemanship camps, horse pack trips for youth and adults, family camps, fly fishing and quad camp, plus rental groups from The Mustard Seed, Youth For Christ and other such groups. We are a small camp with 25 campers per session and 12 staff. Staff rotate between the two sites and have a hand in all that we do.
