

The Paradise Valley Church of God is prayerfully seeking a team oriented senior Pastor to partner with an existing Youth/Family Pastor and a half time administrator, to serve the congregation and community. The church resides in an agricultural town of about 200 people and extends its reach into the surrounding communities. Paradise Valley is a proud host of a new kindergarten through grade 12 school which was completed in 2016. Our body of believers is around 250 people with about 135 in attendance on any given Sunday. The congregation is a diverse mix of young families, youth and seniors. We are praying for someone with a heart first of all, and most importantly, dedicated to the Lord and His work and a heart for His people. If you feel a calling from the Lord in this direction, please send a resume to: nelsonjayme@hotmail.com or if you would like more information, please e-mail Jayme at the address provided, or call Ron Brassington at 780-870-5919.
